Lady Templar Alta Hensley

The covetous Knights Templar spread throughout the Holy Land seeking only for power and wealth. Amity was one of them, the all mighty, blessed by God, Knights Templar. An archer by choice, she was rarely found without her bow at her side and a large supply of arrows at the ready.

But she could no longer fight for a side she did not believe in. Amity could no longer declare she was a Christian. She could no longer declare God spoke to her. A religion that massacred, was no religion for her. So she left. She turned traitor, or at least she planned to. She simply walked away from the camp and into the desert in the search of Saladin's army.

Although her biggest battle still lay ahead. Could she prove herself as a mighty warrior to the other side? Could she fight against The Knights Templar and be victorious? Or when she meets the commander, Malek, can she fight the temptation to be more than just an archer to him? Can the quest for submission in a brutal war- struck desert be Amity's new crusade?
