- Lee Weeks is the consummate storyteller. Over the course of his twenty-five-year-plus career, he has proven this again and again. His ability to create dynamic, interesting layouts, plus his strong draftsmanship, and wonderful sense of lighting made his runs on *Daredevil*, *Captain America*, *Spider-Man: Death and Destiny* (which he also wrote) and *The Incredible Hulk* fan favorites, and his artwork for *Batman Chronicles: The Gauntlet* is among the most finely crafted in the character's history. This 128-page book features an exhaustive look into Week's career and creative process, with a career-spanning interview with tons of art, including many rare and unpublished pieces, and a huge gallery of stunning artwork by this true Modern Master!
