This is like having a very upmarket scrapbook for Euro 2016.

It has a glossy cover and good quality pages like a "proper book" and the idea is that you will write, draw, stick pictures or stickers in it, annotate it and make it your very own project book that looks and feels like a proper book - but so much more!!

You will enjoy returning to it and looking through it - remembering the amazing games you watched. You and your mates will swap stories as relive your memories.

This book will make an ideal gift. It will be fun to create and fun to share afterwards.

There are 3 versions - this one has 150 pages available. One of the others has 75 pages in it to use and the other has 300 pages.
