A new serial killer is on the loose and this time he's more cunning than the last. Logan Hunter is the best forensic scientist in his field and in this case he has a more personal motivation to apprehend the killer. A foreign beauty is brought in to help. Logan studied her for a moment before his dark eye calmed a bit; turning his gaze from her his gaze focused instead on the pictures of Shanelle's brutally beat up body, he felt chocked up and full of rage once more but blinked several times quickly to avoid the build-up of tears. He would not cry around this French woman.

He would not allow her the pleasure of seeing him weakened. Aimée sighed, taking his silence as a refusal. She closed her eyes for a moment and took a deep breath. How will Logan take to her encroaching on his turf? Together will they be able to stop the killer before he strikes again?
