**The Sociology Student Writer's Manual, Fourth Edition** William A. Johnson, Richard P. Rettig, Gregory M. Scott, Stephen M. Garrison

The most comprehensive book available that deals *specifically* with writing sociology papers, this **updated** reference/manual helps users learn how to research and write in sociology, and how to improve their writing ability in general. Based on the authors' *extensive* experience in teaching a variety of sociology courses, it combines the latest sociological research and writing techniques with a broad spectrum of writing activities. It gives specific directions for writing a variety of papers in sociology—from introductory to advanced—while also providing instructions on how to write and how to format the paper and cite sources following the American Sociological Association's guidelines. The manual gives users the guidance they need to tackle projects of all complexities. The author details writing as communication, writing competently, formats, sources, conducting research in sociology, and how to write different types of sociology papers. For those interested in writing in a sociological framework.
