In *The Zen of Gambling*, the star of Spike TV's *Wayne Allyn Root's WinningEDGE(tm)* shows readers why- be it in the casino, on the playing field, or in the boardroom-it is so vital to take risks in life. Wayne Allyn Root lives an American Dream: he makes tons of money sitting on his couch watching sports on television. In fact, as CEO of GWIN Inc., America's only publicly traded sports handicapping firm, Root has made *a lot* of people *a lot* of money and in this book he reveals the spiritual principles behind his consistently winning hand.

Says Wayne Allyn Root:

"Risk is what separates life's winners from losers-the survivors from the thrivers! Success all comes down to a series of gambles: your ability to make positive choices at pivotal moments and to thrive on challenge and high levels of stress. Sending out a resume; going on a job interview; asking that stranger on a date; the courage to pick up the phone and make a call that could change your life for the better-all of life's big decisions and defining moments require a talent for (and a willingness to) risk".

Turning popular conceptions of the chain-smoking, overweight, "down and out" Casino denizen on their head, Root shows readers how to cultivate tranquility in the face of the stressful, life-defining moments and to bring a Zen consciousness to taking risks. Presenting a unique Contrarian approach to gambling that involves *never* following the masses and *always* taking the lead in life, Wayne Allyn Root shows readers how to successfully navigate the many gambles in life.
