### **Friendly Guide to Christian marriage counseling**

Any couple struggling in their marriage should seek counseling sooner rather than later. It is better to take up the counseling even before the marriage to talk about the sharp edges that might poke into the marriage in the later stages. This book is a user friendly guide to learn everything you need to know about a happy relationship & Christian marriage. Now you can read this friendly guide and make your marriage more successful and your relationship happier.

### **>>> Christian tools and tips to have a happy marriage**

Christian marriage counseling can help you see what God wants from your marriage. The author has provided various Christian tools and tips to resolve certain and common issues which you might be facing with your partner. This book focuses on the various problems faced by married couples, along with providing solutions and various activities, which will help you know and understand yours

and your partner's feelings.

### **>>> A blessed and happy relationship with your partner**

No matter how complex your situation might be and how painful the process might be, you can achieve a blessed and happy relationship with your partner, because there is always a way out of these problems and this book would guide you through it. You can learn to figure out what is the best way to choose your therapist and what is the best way to actually work on repairing your strained relation.

### **Anyone can have a happy marriage by following these steps:**

- How to prioritize your priorities?
- Communicating with each other
- Learn how to share your responsibilities
- What is your religious orientation?
- How the money factor can create a problem?
- Your sexual relationship
- Your relationship before and after you have a baby
- Choosing your therapist
- And much, much more...

### **>>> This book is a work book**

This book would take you through every session of counseling and also talk about the activities that you need to perform alone and together to make that session successful. It would act as an active counselor and guide you through the troubled marriage.
