Biblical Medicine: Developing a Christian Worldview for Medical Science Christopher W. Bogosh
In *Compassionate Jesus*, Christopher Bogosh showed us how to rethink our approach to modern medicine. Now, he takes the next step and develops a Christian worldview for medical science. Political, historical, philosophical, medical, and biblical, *Biblical Medicine* exposes the underlying assumptions governing modern healthcare, it dismantles them, and then it moves on to show how the timeless message of Holy Scripture is sufficient for medical science today.
