Borges at Eighty: Conversations

Jorge Luis Borges

Borges at Eighty: Conversations Jorge Luis Borges

A collection of interviews now available from New Directions for the first time

The words of a genius: *Borges at Eighty* transcends our expectations of ordinary conversation. In these interviews with Barnstone, Dick Cavett, and Alastair Reid, Borges touches on favorite writers (Whitman, Poe, Emerson) and familiar themes ? labyrinths, mystic experiences, and death ? and always with great, throw-away humor. For example, discussing nightmares, he concludes, “When I wake up, I wake to something worse. It’s the astonishment of being myself.” 8 Black and white photographs
