His Royal Highness Prince Victor Maximovich Antonovich of Loskutovia has a problem, a serious problem, and he doesn't know it yet. He thinks he knows what his problems are. He knows he can no longer put off the Royal duty he's been dreading his whole adult life. It's time to find a suitable mate, which means a female. No man can give Victor what the country desperately needs now, a new Royal Baby, a new Royal heir. He also is painfully aware of another major problem. He's got the feral wolf sickness, which has kept him in a self-imposed exile from his country for the last several years. But with his sister's passing, and his father's illness taking hold, Victor must do his duty. Witchcraft and some powerful potions have managed to keep his condition at bay for hours at a time, but Victor's going to need something stronger if he's to sit on the throne full time. Time to Prince Up. At his father's request, Victor is off to America to search for a tolerable female. With a larger pool of shifter females to choose from, he's hoping to find someone he can do business with. He's saddened that once mated under the Old Ritual he'll never again be able to make love to a man under the moonlight, but such is the life those bound by duty. Such is the sacrifice he must make for the good of Loskutovia. Shortly after arriving in New York, his real problems start. His body is suddenly transforming, but not into a werewolf, but something far more disturbing. In his human form, he starts to grow fur all over his hands and face. How's he going to convince some female to marry him, even a shifter female? They'll take one look at him and either try to kill him, or they'll run away screaming. His only hope is the referral to the local witch, but time is running out. Mikey Sean Sean is an ordinary human, or so he thinks, and he's having a very, very bad day. Not only has his bank account been drained of all its money by his boyfriend, he's also had the one thing he ever possessed of his mother's taken as well. To top things off, turns out Hector never put the rent checks in the mail, because the landlord just popped over to demand the last three months rent. Mikey Sean Sean needs money and he needs money fast. He's in the process of trying to drum up new clients when he gets an offer out of the blue. Would he be willing to come to a mansion in Upstate New York for a week or so, to do the *Queer Eye for the Straight Guy* thing for a rich Russian dude with a severe body hair problem? *Hell to the yeh-asss! Send the limo!* Mikey Sean Sean, New York City's Premiere B-List Fashion Stylist to the Rescue!
