## **Quiet Faith: An Introvert's Guide to Spiritual Survival** Judson Edwards

In *Quiet Faith*, Judson Edwards writes, “For all of the fine qualities we introverts bring to the table, the truth remains that we are typically viewed as people in need of a personality upgrade. Those of us who are active in the church find that to be especially true in the community of faith. We are consistently, though subtly and indirectly, reminded that we need to be bolder, louder, and more certain in our faith. If we ever really got filled with the Spirit, the church seems to suggest, we would become extroverts.” In eight finely crafted chapters, Edwards looks at key issues like evangelism, interpreting the Bible, dealing with doubt, and surviving the church from the perspective of a confirmed, but sometimes reluctant, introvert. In the process, he offers some provocative insights that introverts will find helpful and reassuring. *Quiet Faith* offers a thoughtful, honest, and entertaining look at what it means to be a Christian in the twenty-first century.
