Vile: A Steamy Post-Apocalyptic Novel J.E. Keep, M. Keep

The world is a wasteland. Viles -- humans warped into mindless monsters driven by rage -- roam the tortured and nuked land.

Alex is a sheltered 'bunker babe', born and raised safely beneath the surface of the earth. Her people are dying, and despite the horrors of the world above, she has no options but to trade, barter with her body, and kick ass to save her friends and family from their fate.

The clock is ticking, and though she's determined, her search for survival leads her right into the den of the Viles.... and a despicable force that puts even the Viles to shame.
