Sara and John are happily married, but they have a secret. Every week or so Sara finds another man, or woman, to have **mind-blowing sex** with. John not only knows about it, he encourages it.

But things are about to get interesting when two of their closest friends find out. Will Sara convince them to join in on the fun, or will they turn away when they find out what kind of **slut** Sara truly is?

This is book 3 of the Housewife to Hotwife Series. It's a stand alone story with no cliff hangers, but be sure to read the first two books to see more of Sara's sexy adventures.
