La glorieta de los fugitivos: Minificción completa (Voces/ Literatura nº 83) (Spanish Edition) José María Merino

La glorieta de los fugitivos reúne, por una parte, además de otros inéditos, los minicuentos, microrrelatos, o nanocuentos publicados por José María Merino hasta la fecha en los libros *Días imaginarios* y *Cuentos del libro de la noche*, que se nutren de la extrañeza de lo cotidiano, el misterio del tiempo, los espacios fronterizos entre sueño y vigilia y todos los elementos fantásticos habituales en la narrativa del autor. El libro incorpora también una parte -La Glorieta miniatura- que pudiéramos llamar teórica, si no estuviese formulada en forma también de ficciones brevísimas, que constituye su intervención en el IV Congreso Internacional de Minificción que tuvo lugar en la Universidad de Neuchâtel, en noviembre de 2006, acompañada de varios divertidos ejercicios prácticos, resultado del citado Congreso.
