Love Notes For My Butterfly Richard Feller

Think about how much safer and relaxed you would feel if you knew what to expect from a relationship before you got into one. In this book I lay open my experiences from what I feel God revealed to me about falling in love. A thriving growing relationship which enters into marriage waits within these pages. Where hands are still held within the revealed depths of love long after courtship, there is stability in behavior which promotes consistent growth. "As the bridegroom rejoices in His bride, so does the Lord rejoice in you." At last a pattern to behold and live for a full life.
