Bear shifter Terrence Dougal failed to stop the abduction of curvy Yvette Conway. Now he has to get her back.

The hardest part of rescuing Yvette will be resisting her seductive curves and lush lips. Because no matter how much his bear wants her, Terrence can't let himself forget she's human. And humans can never be trusted.

But Yvette didn't get the memo. All she knows is she felt an instant connection to her sexy brooding hero. Her heart says they belong together, and she hasn't learned yet that sometimes hearts lie.

A steamy standalone BBW BWWM romance for readers 18+, *Furever Us* contains explicit love scenes and graphic language. #3 in the Furever Shifters series. 34,000 words, or about 130 pages.
