Pocket-sized prescriptions for symptoms resulting from divorce

Often those who suffer the "heart attack" of divorce fail to follow a plan to recovery. They allow the build-up of bitterness to continue to clog emotional arteries. Just as the cardiologist orders heart medication, divorce recovery needs a prescribed course of action-rest, medication, and changes in routine or daily diet.

Healing the Divorced Heart offers pocket-sized prescriptions for various symptoms that come as a result of divorce. Rose Sweet invites those who have been damage by divorce to take their spiritual temperature and examine emotional x-rays. The book is full of practical advice, encouragement, and hope centered on daily doses of God's Word.
