In chapter 1, *Kids Will Be Kids*, savor stories such as the childish prank of one young boy who decides to jump off the roof of an air raid shelter, or another of a child who pops the question *How are babies made anyway?* at the most inopportune moment.

In chapter 2, *Love in Bloom*, enjoy this most unique valentines gift with the author **and** Sonny & Cher, and the utter dismay of this one young couple when their passion is cut short in *Grandma Interruptus*.

In chapter 3, *People, Like Ice-cream, Come in Many Flavors*, we meet *Peggy, The Redhead*, a true redhead - almost! and the inside scoop on Betty Friedan, discovered during a first hand encounter with her.

In chapter 4, *Mixed Blessings*, perhaps you can easily identify with the frustrations of modern technology, from computers that misbehave to electric household appliances.

And finally, in chapter 5, *20/20 Hindsight*, we are treated to a story of a young man who awakens to quite an event after spending the night in a cemetery in Florence, Italy and another of a young man whose overabundant confidence gets him in BIG trouble with his former girlfriend.
