The Fountain of Humor Number 2 Richard G. Lazar PhD

It is a collection of jokes and stories. These jokes can be listened to and/or played to people who live with, work with, or love others. The material is helpful to mind and body. It is funny, tasteful, and likely to make most people laugh out loud.

It's all about feeling good, feeling much better, reducing sad feelings, healing mind and body. All anyone needs to do is to laugh loud and long to feel good and better. Yes, it works. It's not a cure-all for aging and not a fountain of youth...simply a fountain of humor for all. It is a supply of funny jokes and stories that really helps, for a while, to reduce depression about aging, the loss of loved ones, chronic illness, or loss of sight, sound, and mobility.

Our jokes and stories are provided through our unique process of selection, customization, and cleansing by our "joke jury".

My father-in-law, terminally ill with cancer, called often in his last year, asking my wife and me to read a joke or two to him. Hearing him laugh from miles away also opened the door to comforting conversation and made it easier for all of us. This is mighty important for all of us.

An 85-year-old losing her mental capacities repeatedly asked for our jokes to be read to her. It comforted her right up to her passing.

A professional woman purchased the set for signing to groups of deaf people. She works with them as the audio version plays the jokes for her.
