## **The Holy Garden Painting** Stephanie Williams, Karen Besant

Divinely inspired by the Holy Trinity of Jesus Christ, God, and the Holy Spirit, Stephanie writes the passions of her heart in mystical and mythical style. Motivated by ideals of psychic spiritual asceticism, transverberation, and spiritual heart awakenings, she records her deepest inner musings and reflections with invigoration and transcendent regard for her most cherished higher power. Nothing could stand between she and her God, and in spite of every worldly or demonic struggle that she endures, Stephanie attempts to remain acutely aware of each and every problem that arises in the hopes that she may overcome each one, so that she may close the gap that separates she and her God, reuniting with Him at last in the immutable hope of eternity.
