Uncontrolled Magic is a sequel to Undying Magic, from Ellora's Cave's Fun in the Sun series. What happens when a were-dragon propositions a very hungry vampire? He ends up naked and chained to a wall in his lair, among other things. Marissa, a vampire recently returned from ashes, thinks her arrangement with Jack is all about blood and sex. As for Jack, a were-dragon in need of an escort to his parents' fiftieth anniversary party, he's just happy to have found a date. Particularly, one who can live through the weekend event. Add in some magical restraints, sexy dragon-training lessons, several wild bikers and some unexpected party crashers, and Marissa and Jack might end up with more than just a weekend to remember.
