BEFORE THE BEGINNING...

On his 15th birthday, BILL MAGELLAN is getting his first voyage into space when his family moves to Space Colony Lagrange 5 for the summer. But no sooner has he arrived when he's teamed up with the strangest little kid he's ever met. A brilliant twelve-year-old who doesn't know how to talk to anyone his own age because he grew up on a space station with adults. And just as they're bonding, a stranger enters the picture who may kill everyone. So what happens when the only people who know there's danger around are the kids? And what happens when the kids are very resourceful and know the station better than anyone else? Well, those answers and a fun mini-dictionary, are inside, so get going and then maybe you too can save the galaxy
