Samuel Beckett

Dream of Fair to Middling Women: A Novel Samuel Beckett

Samuel Beckett's "high energy and boisterously libidinous" (Booklist) first novel--a wonderfully savory introduction to the Nobel Prize-winning author during this centenary year. Written in the summer of 1932, when the 26-year-old Beckett was poor and struggling, *Dream of Fair to Middling Women* offers a rare and revealing portrait of the artist as a young man. Later on, Beckett would call the novel "the chest into which I threw all my wild thoughts." When he submitted it to several publishers, all of them found it too literary, too scandalous, or too risky, and it was never published during his lifetime. In the novel, Belacqua--a young version of Molloy, whose love is divided between two women, Smeraldina-Rima and the Alba--"wrestles with his lusts and learning across vocabularies and continents, before a final relapse into Dublin" (The New Yorker). Youthfully exuberant and visibly influenced by Joyce, *Dream of Fair to Middling Women* is a work of extraordinary virtuosity. Beckett delights in the wordplay and sheer joy of language that mark his later work. Above all, the story brims with the black humor that, like brief stabs of sunlight, pierces the darkness of his vision.
