What is the best wedding advice you ever received? For author Seth Adam Smith, it was the advice from his father who said, Marriage is not for you. It is about the person you marry. These few words completely changed the way Seth looked at his relationship with his wife-to-be. Because at that moment he realized that an expression of love is not about the person expressing it. Rather, it is about the person they choose to be with. It is about making the person you marry feel loved. Seth's blog post on the subject was viewed by more than twenty-seven million people, and he has been featured on several national TV programs including The Today Show. Now released as a hardcover book, these sage words make the perfect gift for newly married couples, those who have been around the block a few times, or anyone who wants to learn how to make their relationships stronger.
