Nelson's Church Leader's Manual Thomas Nelson

Without church leaders, the church cannot minister. Just as *Nelson's Minister's Manual* helps pastors with everyday ministry events, this guide will aid elders, deacons, and volunteers in the tasks that keep the church running.

Nelson's Church Leader's Manual will help with important work, such as running a meeting, serving on administrative boards, working with the pastor and the ministries, setting policies, and filling in as a group or Sunday school teacher. It will help church leaders align themselves with the ministry of the church.

Available in New King James and King James versions.
