For everyone dreaming of escaping to the country, fall in love this summer at Skylark Farm...

Amber is a city girl at heart. So when her boyfriend Jake Somerville suggests they move to the countryside to help out at his family farm, she doesn't quite know how to react. But work has been hectic and she needs a break so she decides to grasp the opportunity and make the best of it.

Dreaming of organic orchards, paddling in streams and frolicking in fields, Amber packs up her things and moves to Skylark Farm. But life is not quite how she imagined - it's cold and dirty and the farm buildings are dilapidated and crumbling.

But Amber is determined to make the best of it and throws herself into farm life. But can she really fit in here? And can she and Jake stay together when they are so different?

A story of love in the countryside from the author of the bestselling *The Cherry Tree Café*. Perfect for *Escape to the Country* dreamers, Cath Kidston fans and *Country Living* addicts!
