The Cross-Legged Knight: The Owen Archer Series - Book Eight Candace Robb

York, 1371. The Bishop of Winchester, William of Wykeham, is tasked with bringing home the remains of the powerful patriarch of the Pagnell family. But Wykeham's arrival is fraught with tension. The Pagnells are reeling from their father's death and they suspect Wykeham of having a hand in it. Days after his arrival, his townhouse burns to the ground—a terrible accident, or a threat.

When the charred body of a woman is found in the remains, Wykeham fears for his reputation and his life. The Archbishop of York, John Thoresby, turns to the one-eyed spy, Owen Archer, for help.

Archer, preoccupied by his wife's tragic miscarriage, reluctantly agrees to investigate the case. But the attempt on Wykeham's life runs deeper than anyone suspects. This tangled web includes knights, bishops, and even kings. When Archer discovers that the dead woman is a midwife known to all of York, including his wife, this dangerous plot is brought to his very home.
