Think and Grow Rich: The keys to a successful prosperous life. Napoleon Hill

"Whatever the mind can conceive and believe, the mind can achieve." -Napoleon Hill

The concepts taught by Napoleon Hill will transform your life. Some of these include developing a definite purpose, building a Positive Mental Attitude (PMA), channeling the power of the sub-conscious mind and dealing with adversity. Everything he wrote about or talked about is thought provoking. He was wise, humble and had great humor. His philosophy is universal; he did not mix it with religion. The riches he referred to were more than money, for the Philosophy of Personal Achievement can be applied to anything in life.
