Classic Album Covers of the 60s

Storm Thorgerson

Classic Album Covers of the 60s Storm Thorgerson

This newly reformatted edition of *Classic Album Covers of the 60s* features more than 200 of the very best—and, in some cases, entertainingly worst—covers that graced LPs throughout that groundbreaking decade. It takes readers on a lively journey from the wholesome joviality of the *Very Merry Macs* and *Muscle Beach Party*, through stylish and sophisticated jazz covers, to the coolest, wildest psychedelic designs of the late 60s—including the Beatles' *Sgt. Pepper* and the Incredible String Band's *The 5000 Spirits*.

The evolving styles illustrated here provide a fascinating reflection of changing cultural trends during an era when artists sought to smash the prevailing rules—and, in so doing, laid the foundations for cover design today.
