Business is a game and like any game, you've got to keep score to know whether you are winning or losing. Unfortunately, all too many people in business lose track of the scoreboard... which leads to big problems in and around the business. In *Consistent Cash Flow*, Tom Palzewicz dives into the deep end of the finances at work in any business. His years of experience has led to a powerful system he utilizes with his clients to achieve true financial mastery for the business owner... and now he's ready to teach that mastery to you... In *Instant Financials*, you'll learn: - The mindset of keeping score in your business - The 4 hats in your business that relate to money -Why the Rule of 3s in Financial reporting is so important - What your business is really worth *Consistent Cash Flow* leaves no stone unturned when it comes to the financials of a business. Tom goes deep to bring you every aspect of "keeping score" in your business that you could possibly think of... and most importantly, he tells you why these areas are so important to your business and how you can utilize all of this reporting to build a business you can pass down to your children, or sell at a nice profit, some day.
