DALE BROWN'S DREAMLAND: RETRIBUTION

The Dreamland team used stealth, raw nerve, and technology to defuse a nightmare on the other side of the world. But now the darkness is racing toward America at blinding speed. With more than two dozen nuclear devices unaccounted for, the global masters of terror have set a catastrophe in motion—a surprise attack more deadly than Pearl Harbor and 9/11 combined. If the nation is to survive, Lt. Colonel Tecumseh “Dog” Bastian and his crew will have to reach deep into their cutting-edge arsenal. And they’ll have to do it short-handed—because two of Dreamland’s best and bravest have been lost at sea....

DALE BROWN'S DREAMLAND: REVOLUTION

The masters of astonishing military technology that enables them to deploy almost instantaneously to any part of the Earth, the Dreamland team must now stop a dangerous revolution in the making in Eastern Europe—where a mysterious group of insurgents has blown up an essential pipeline, thereby disrupting Europe’s gas supply. With NATO and the EU paralyzed by the crisis, it falls to Dreamland’s best and brightest to keep the world from the brink of another Cold War. But the secret hand of an old enemy is pulling the strings from the shadows, hoping to reap the rewards of chaos. And the devastating results could erupt with intense, white-hot fury.
