Daniel: Spiritual Living in a Secular World (Lifeguide Bible Studies) Douglas Connelly

A permissive society, a power-hungry people, a nation without God. Daniel's situation in Babylon sounds quite a bit like our own. In the midst of such forces, how can we remain loyal to biblical values? How can we have a positive impact on those around us? Daniel gives us practical and personal help with these questions. This LifeGuide Bible Study features questions for starting group discussions and for meeting God in personal reflection. Leader's notes are included with information on study preparation, leading the study and small group components as well as helps for specific Bible passages covered in the study. Presented in a convenient workbook format and featuring the inductive Bible study approach, LifeGuides are thoroughly field-tested prior to publication; they're proven and popular guides for digging into Scripture on your own or with a small group.
