Two people facing crossroads in their lives discover friendship and love in this touching novella by fan favorite Harlequin Superromance author Sarah Mayberry.

Leah Mathews has always been the good sister, the favored one who could do no wrong. But as her thirtieth birthday looms, she's ready to step out of her parents' shadow and make changes in her life. She's even more inspired by the sexy musician who moves in next door and his seize-the-day attitude. And tempted to take comfort in his arms...

Will Jones is facing the prospect of losing the career he loves—and possibly his life—to a sudden illness. When he meets Leah, he feels a powerful connection to her, and flirting with a smart, beautiful woman seems like the perfect way to spend the weeks before his risky operation.

But as their relationship heats up, Leah still doesn't know the truth about Will's situation. Will their bond be strong enough to face the challenges yet to come?

Read about Leah's sister in Sarah Mayberry's next contemporary romance from Harlequin Superromance, *Her Favorite Rival*.
