What follows are some poems written along my journey. Some were written as I rode my destiny train, others as I fell from it, and many as I walked along the track waiting for it to come around again. Some are dark, some are deep, and others loving. Some speak of loss, and some are full of hurt. Some are full of joy, and others are fun and slightly quirky. They all offer hope-well, at least they did to me when I wrote them. Enjoy.
