William Shakespeare

Romeo and Juliet The Graphic Novel: Quick Text William Shakespeare

A bitter feud between the Montagues and the Capulets keeps the city of Verona, Italy, in a state of constant unrest. Despite the enmity, Romeo Montague and Juliet Capulet fall passionately in love. Enlisting the help of Friar Laurence, the young lovers wed in secret, hoping that their marriage will finally unite the two families. But things go terribly, tragically wrong. One of Shakespeare's most widely performed plays, *Romeo and Juliet* has been adapted for every conceivable format. Yet no adaptation — film, television, radio, or opera — can match the richness of the original. This inspired graphic novel version depicts every scene of the play in full-color illustrations, accompanied by every word of the original text. Authentic yet easy to follow, this exciting adaptation is ideal for purists, students, and readers who appreciate Shakespeare's matchless verse. Also available are a Plain Text version, translated into modern U.S. English, and the Original Text, with the Bard's unabridged work.
