Shakespeare's Theatre (Theatre Production Studies) Peter Thomson

Reviews of the First Edition

**'...valuable and enjoyable reading for all studying Shakespeare's plays.'**

**Following in the pattern established by John Russell Brown for the excellent series (Theatre and Production Studies), he provides first an account of Shakespeare's company, then a study of three individual plays *Twelfth Night*, *Hamlet* and *Macbeth* as performed by the company. Peter Thomson writes in a crisp, sharp, enlivening style.'** TLS

**'...the best analysis yet of Elizabethan acting practices, excavated from the texts themselves rather than reconstructed on basis of one monolithic theory, and an essay on *Hamlet* that is a model of Critical intelligence and theatrical invention.'** Yearbook of English Studies

**'Synthesizes the important facts and summarizes projects with a vigorous prose style, and expertly applies his experience in both practical drama and academic teaching to his discussion.'** Review of English Studies
