*Volume 1B: The Early Modern Period of The Longman Anthology of British Literature* is a comprehensive and thoughtfully arranged anthology that offers a rich selection of major British authors throughout the Early Modern Period. The book includes Perspectives, Companion Readings, and "and Its Time" sections which show how major literary writings interrelate with and respond to various social, historical, and cultural events of Great Britain in the Early Modern period. With a generous representation of fiction, drama, and poetry, the second edition includes major additions of important works and an expanded illustration program. Fresh and up-to-date introductions and notes are written by an editorial team whose members are all actively engaged in teaching and in current scholarship, and illustrations show both artistic and cultural developments of the Early Modern Period. For those interested in British Literature of the Early Modern Period.
