365 first-person devotionals, written by women for women, from the editors of Daily Guideposts, America's favorite devotional for more than 35 years. Here are specially-chosen devotional entries for each day of the year from such Daily Guideposts favorites as Debbie Macomber, Sue Monk Kidd, Marion Bond West and Sharon Ewell Foster. With warmth, honesty and even a bit of humor, these reflections look at all the aspects of a woman's life— at work, at home, married or on her own, as a daughter, mother or grandmother—through the eyes of faith. Each devotional contains a short Scripture, a true, first-person anecdote, told in an informal, conversational style, that shares the ways God speaks to women in the ordinary events of life, and a brief prayer to focus the reader's own prayers and put the day's message to work in her own life.
