## Adult Emergency Medicine: Self-Assessment Color Review (Medical Self-Assessment Color Review Series)

This new volume in the established and well-respected series of Self-Assessment Color Reviews covers all aspects of adult emergency medicine. Some 250 cases are presented randomly to reflect real-life practice.

Each case consists of one or more questions, illustrated by stimulating visual material including clinical photographs, imaging and electrocardiograms. Answers and full discussion then follow covering differential and definitive diagnoses, management and subtle insights to provide optimal care and prevent complications.

The book appeals to a wide readership, ranging from trainees to practitioners in emergency medicine or primary care, for examination revision and continuing education.
