Blank Panels for Comics & Cartoons: 6 x 3" Squares: A Blank Comic Sketchbook for Kids & Adults (Arty Outlines) Sarah Innins

The **Blank Panels for Comics & Cartoons: 6 x 3" Squares Workbook** by Sarah Innins has **132 pages** each containing six 3-inch square blank panels printed double-sided on **8.5" x 11"** paper.

This blank comic book was created for **kids and adults**. It can be used for sketching plot ideas, storyboarding, and developing characters and drawing styles (it is not intended for the production of print-ready artwork or for the creation of archival material). The blank panels can be used for images or text, so this workbook is perfect for cartoons, classic comics, manga, and graphic novels or stories. It can also be used for designing and sketching art and crafts projects and patterns.

The 8.5" x 11" page size allows for a generous inside margin which makes it easier to draw on the inner panels near the gutter, and enables the pages to be cut and removed without causing damage. Several other blank comic page layouts are available in the Arty Outlines book series, including a flexible triple horizontal panel design which can be customized and subdivided. The full selection of workbooks can be viewed on the Amazon Author page for Sarah Innins or on her websites at sarahinnins.com and artyoutlines.com.
