From the Monkey Cage: Fixing Politics Through Wit & Cartoons Andrew Heaton

Andrew Heaton's savagely funny work on contemporary American democracy is a treasury of political satire. His regular sterling wit and pithy insights are combined with his own unique brand of cartoons, which, as he describes, "are about what I would have produced in my childhood, had I started drinking that early." He expertly wields his humor to tackle standard libertarian irritants, from indignity over needing a Segway license, to the spectacular failure of cupcake regulation, farm bills, the Drug War, and social intolerance. Heaton tackles his subjects with a fresh and upbeat attitude, as if Dave Barry were running for Congress. -- Last House Standing Books
