As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country.
