Jarrold Thornton is mesmerizing, but Kate Warren doesn't know why. The moment the new guy walks into the room, Kate senses something strange and intense about him. Something supernatural. Her instincts are proven correct a few minutes later when, bullied by his classmates, Jarrod unknowingly conjures up a freak thunderstorm "inside" their classroom. Jarrod doesn't believe in the paranormal. When Kate tries to convince him that he has extraordinary powers that need to be harnessed, he only puts up with her "hocus pocus" notions because he finds her captivating. However, the dangerous, uncontrolled strengthening of his gift finally convinces Jarrod that he must take Kate's theories seriously. Together, they embark on a remarkable journey -- one which will unravel the mystery that has haunted Jarrod's family for generations and pit the teens against immense forces in a battle to undo the past and reshape the future.
