**Stolen Kisses: A night out goes horribly wrong for a beautiful young woman. And then...** Jan Vivian  
One romance story inspires another.

Sean Templeton, a romance author, has achieved success. He is in Palma de Mallorca researching a story, and working on the manuscript. A chance meeting with Rosa Lucena, an avid reader of his two books, reveals that she is particularly taken by 'Crazy for Love'. It tells the story of the waste of young lives, those that indulge in recreational drugs. When Rosa is subjected to a drugs and alcohol-induced assault, that she remembers nothing of, she flees. She meets Sean once more. Is it chance, or destiny, that brings them together again? Sean helps Rosa in her quest for justice. In the process she falls in love with him, but Sean is already committed to another woman, Annie; she is his lover and agent. The few days that Rosa and Sean spend together are destined to change their lives.
