The House of the Seven Gables (The John Harvard Library)

Nathaniel Hawthorne

The House of the Seven Gables (The John Harvard Library) Nathaniel Hawthorne

Following on the heels of *The Scarlet Letter*, *The House of the Seven Gables* was intended to be a far sunnier book than its predecessor and one that would illustrate “the folly” of tumbling down on posterity “an avalanche of ill-gotten gold, or real estate.” Many critics have faulted the novel for its explaining away of hereditary guilt or its contradictory denial of it. Denis Donoghue instructs the reader in a fresh appreciation of the novel.

The John Harvard Library edition reproduces the authoritative text of *The House of the Seven Gables* in the *Centenary Edition of the Works of Nathaniel Hawthorne*.
