**Trauma and Orthopedic Surgery in Clinical Practice** Paul R. Wood, Peter F. Mahoney, Julian Cooper

This book provides a practical working guide to the most important peri-operative issues and medical problems found on the day-to-day ward management of trauma patients. Although aimed at medical students, orthopedic and surgical residents and foundation year pre-registration house officers, the style and content of the book will also appeal to senior medical students and senior house officers, and junior doctors in the acute specialties.
