*Two Sets of Footprints in the Sand: God's Inspired Alaskan Romance*, is a wonderful and joyful expression of love and compassion. When an Alaskan bush pilot makes a routine stop to drop off supplies she finds the outside of a family's home strangely deserted. She enters the house and finds the entire family unconscious and thinks that carbon monoxide poisoning is the culprit. She manages to rescue two young boys then sees another person in the bathroom and it's there she sees a man about her own age. He is the family's oldest son and as he's reviving a little she gets his help to move the two heavier adults out to the safety of their barn. They all pray together as they wait for the medics to arrive and Jay realizes that she's falling in love - with both the family's oldest son, Nigel, and once again, with God.

This audiobook contains powerful Christian influences, love, family and other related themes meant to make you smile!
