Take an American geisha, a sculptor who knows everything the geishas know about love. Put her in a society that's morally profane, and ask her to find her way. The story is told through the soul of a sculptor who lives her life as a contemporary Aphrodite. Katarina sees everything through the lens of an obscure Indian philosophy, Yoga of the Impossible. Early in the novel, two young teenagers face a trauma that will ripple through their lives unless they turn around and deal with it. You'll meet a tribe of late-blooming artists searching for love on a crooked path. Dripping with fine art, YOGA OF THE IMPOSSIBLE is populated with musicians, dancers, sculptors, radio talk show hosts, and mermaids transforming lunacy into poetry.
