## **Dog Cancer: The Holistic Answer: A Step by Step Guide** Dr. Steven Eisen

When his 11-year-old Lhasa Apso, Fergie, was diagnosed with lymphoma, a deadly cancer, Dr. Steven Eisen decided not to rely on standard veterinary care but to apply his own specialist expertise to the case and to treat his dog holistically. He knew from his prior research that a skillfully tailored diet, plus natural supplements, would often achieve cures without the downsides of conventional medicine. His instincts were validated: Fergie was restored to health, confounding her vet's prognosis that she would live no more than *six weeks* by surviving for almost *two and a half years* and reaching normal life expectancy for her breed.

*Dog Cancer: The Holistic Answer* describes in detail the broad protocol Dr. Eisen used to rescue Fergie from her death sentence and explains how to customize it for your own dog. While acknowledging that each owner must make a personal decision on the relative merits of conventional and holistic approaches, he presents a powerful case for questioning the use of toxic, invasive, and high-priced methods that too often end in grief.

Unlike most books on dog cancer treatments, which are overstuffed and overwhelming to the average dog owner, this guide is tightly focused on the need to *act wisely right away*. In just 80 pages, Dr. Eisen clearly explains the five steps of the healing protocol, beginning with the elimination of toxins from the body, from the immediate environment, and from every item the dog consumes; continuing with the easy preparation of an anti-cancer diet; then moving on to immune enhancement, enzyme therapy, and the use of vitamins, herbs, and other supplements.

The totality of information compiled by Dr. Eisen cannot currently be found in any other single source. Certain key transformative supplements, for example, are overlooked by every other book surveying the range of holistic options.

For dog owners seeking a benign, *proven* approach to the healing of their pets' cancer, this is the indispensable roadmap.

Every copy of *Dog Cancer: The Holistic Answer* includes FREE members only access to the companion website, Best Dog Cures. Here you will find up-to-the-minute updates, with downloadable files and new information since the book was written.

You'll also receive exclusive access to these valuable downloads:

- *Exclusive videos* to compliment topics in the book including, *The Dog Cancer Diet* video that shows you, step-by-step, how to easily prepare Dr. Eisen's grain-free, homemade dog cancer diet recipe; information about vaccinations, natural flea and tick control, non-conventional cancer treatments, toxins you may unknowingly be exposing your dog to...and more!
- *Pamper Your Dog* - an ebook showing you how to prepare 130 tasty treats and meals for your pet at little cost and with minimal labor.
- *Pet Medical Recorder* - a simple-to-use software tool that provides forms on which you can easily keep track of all your pets medical treatment information: medical history, medications, supplements, vet contact info, immunizations and more.
- *The One Stop Shop* - designed to save you time and money.
