??? (Ni Wo Ta) is a complete first-year text and online program that makes learning Chinese easier. The program includes a text that has been designed with the national standards in mind and builds beginner-level proficiency via three modes of communication: interpersonal, interpretive, and presentational. The program also includes iLrn: Heinle Learning Center, an all-in-one online course management system that saves instructors time while enhancing students' language-learning experience through an engaging video program, robust multimedia integration, proven pedagogy, and comprehensive cultural coverage. INTRODUCTORY CHINESE features a clear, easy-to-follow structure that is ideal for both instructors and their students.
